

INTUITIVE RELAXATION

Intuitive massage therapy is a powerful process that encourages self-discovery, wellness and harmony. Through divine intuition our therapists utilise hands on therapeutic massage techniques to restore or balance the flow of energy within the body.

DEEP TISSUE

Deep tissue massage targets chronic tension in muscles that lie far below the body's surface. Deep muscle techniques involve slow strokes, direct pressure or friction movements that go across the muscle grain.

CRYSTAL ENERGY

Crystal massage therapy provides a holistic experience beyond the five known senses by blending physical relaxation with spiritual and emotional renewal through the innate healing properties of Crystals combined with massage.

90min \$165 | 120min \$205

HOT VOLCANIC ROCK

A deeply soothing and healing massage for tired, aching muscles. Heat from our smooth, warm volcanic stones penetrates deep into your muscles as they work in synergy with oils to diminish tension achieving a deep and lasting relaxation.
